

Dine Around - at Hacienda Del Sol

Canasta Training

Golf and Stuff

Mesa Market Trip

## **On Our Own**

**Purpose and description of the club:** We are a social activities group for women who are “on their own” and not in a committed relationship. Our goal is make everyone feel welcome and included. The level of involvement in the group is entirely up to the individual. This is a great place to meet and form friendships with women who for one reason or another find themselves on their own. The current membership, now at 100+, continues to grow.

**Eligibility:** Our membership is open to all HOA 1 and HOA 2 ladies, whether single, widowed, or divorced.

**Meetings and Activities:** We have an active monthly calendar, but at this time are not holding formal membership meetings. Our Potluck is held on the 3<sup>rd</sup> Saturday of each month and is hosted by a member in her home. It is open to all OOO members and women who might be interested in joining OOO. Hosting is managed on a voluntary basis. Other regular monthly activities include our Dine Around, Game Night and Luncheon groups. These activities are open to all OOO members, but are limited to available seating. Members also host a variety of game groups for Canasta, Mexican Train, and Mah Jongg over the course of each month. We offer classes in these games for members who are interested in joining the fun.
